

FILM SCREENING & DISCUSSION **FACES OF MASS INCARCERATION**©

Join Citizens for Prison Reform for a screening of the documentary "Faces of Mass Incarceration." The documentary reveals up-close and personal stories of families from across the U.S. - including one from Michigan - that were thrust into supporting their loved ones who became incarcerated. Following the film we will have a discussion around the impact of sharing our stories, and the importance of taking care of ourselves as we deal with the stigma, shame, and pain of incarceration.

SATURDAY, AUGUST 24, 11 A.M.—2 P.M.

Free admission. This is a secular event that will be open to the public for the film screening and light refreshments. We welcome families to be part of a new documentary that will premiere at the CPR Annual Meeting in Lansing on Oct. 12th. *We will film as many families as time will allow.
